Going to market

EXPECTATIONS are high with the final touches being added to the Marina Quays Village Market which opens on Saturday. The new market will sell a wide range of products from local suppliers and 70 per cent of the 280 stalls at the waterfront property have been leased. The markets – from 7am to 3.30pm every Saturday and Sunday – will be the only local markets on the northern Gold Coast and will feature an eclectic mix of producers, farmers and local artisans.
